For many the holidays will be a little brighter. Between public donations totaling \$8,228.55 and Prevail Bank matching up to \$1,000 at each branch location, a grand total of \$14,926.10 was gifted between nine organizations as part of Prevail Bank's Holiday Matching Funds campaign this December.

Surrounded by Prevail Bank co-workers, Branch Manager Kori Miller (center) presented a \$1,342 check to Hope Hospice professionals Ashley Stillman, Executive Assistant (standing to Miller's left) and Nicole Syryczuk, Executive Director (standing to Miller's right). Half of the funds were donated by the public; Prevail Bank matched that total, gifting \$671.

The nine nonprofits that received critical funding, raising hope and happiness of their clients were: Sauk County Children's Giving Tree \$1,390, Marshfield Area Pet Shelter \$1,060, Hope Hospice (Medford) \$1,342, Catkins Animal Rescue (Phillips) \$2,106, The Uplift Foundation (Stevens Point) \$700, Granite House (Wausau) \$2,005, the Acacia Foundation (in support of the Wood County K9 unit) \$903.10, Owen-Withee Food Pantry \$3,400 (with a special acknowledgement going to the Owen-Withee Lions Club that contributed \$1,000 to the pantry's total), and the Eau Claire County Children's Giving Tree that received gifts valued at approximately \$2,020.

This year, 2024 marks the 27th year we have worked in the video production industry. From our humble beginnings in 1997 as an Assistant Editor at Broadcast Video, Inc. in Miami, to Content Editor at RMS Networks in Ft. Lauderdale, we moved north to Wisconsin.

In 2003 we had the opportunity to streamline the video production department at WAOW in Wausau before being recruited by the production department at WSAW in 2005. We have been writing, directing, shooting, producing, and editing ever since.

In 2008 we founded Point of View Multimedia. Owner and Director of Operations, Michael Beebe, has focused on quality, rather than quantity. We have worked on everything from TV shows, corporate & training videos, TV commercials, and music videos to website & social media content.
